We at Jellick are so excited that your children are part of our Jaguar family and we look forward to working with you throughout this year. There are numerous opportunities for parents and family members to become engaged with the learning experience this year.

The staff here at Jellick wishes to support you and your child in their academic path to success. If you have any questions or concerns, please feel free to begin the dialogue with your child's teacher via note, e-mail, phone or Parent Square. However, please remember that teachers are not able to meet with you during instructional hours or at the beginning of the day due to classroom preparatory needs.

Should there be any concerns that the staff including or myself can help you with please do not hesitate to contact us.

Here's to the start of a wonderful year!

Sincerely,
Johan Schmitz

MR. SCHMITZ

On the following pages, you will find information regarding Jellick Elementary. These Guidelines and Policies support a safe and orderly environment. Success requires a partnership between school, parent, and child.

While some policies are specific to Jellick, there are policies aligned with the Rowland Unified School District (RUSD). Whenever we have Policies and Guidelines aligned to RUSD, we will refer to them as [RUSD Parent Handbook](#). The Jellick Elementary Parent-Student Handbook is available on our website, www.jellickschool.org. We can print limited copies available in the school office.

RESPONSIBILITIES

01.

STUDENT, PARENT, AND STAFF RESPONSIBILITIES

It is important that students, parents, and school staff work together to maintain a positive educational atmosphere.

02.

The staff at Jellick Elementary School has the goal of maintaining a school atmosphere in which all children have the right to feel safe, secure, and happy, in addition to having the maximum opportunity to learn. Parents must support promoting acceptable behavior from their children in order to make this a reality.

03.

Our goal is to help children develop self-discipline and character in order to meet the challenges they will face in society. Students will be taught strategies to resolve conflicts and to accept individual responsibility for their actions.

04.

Each year, a school-parent-student compact will be shared during Fall parent conference week. This compact is signed by parents, students, and staff to ensure everyone is doing their part to ensure Jellick students are successful!

STUDENT RESPONSIBILITIES

01. ATTENDANCE

If education is essential, then you have to be here to experience it. Jellick begins instruction daily at 8:25 am. [California Education Code Section 48320](#) outlines the requirements for attendance. Our expectation is for students to show up on time, to show up every day, and to stay the whole day. After 8:25 a.m. tardy students will report to the office. In the event of an absence, the parent or guardian shall inform the school through a phone call, parent square message, or email. Students who accumulate excessive absences and tardiness will be counseled at school on the importance of attendance and punctuality. Jellick has partnered with the Los Angeles County District Attorney's Abolish Chronic Truancy (ACT) program to enforce attendance and punctuality. Excessive tardiness and absences will be monitored and addressed; if improvement does not occur, it will be reported to the School Attendance Review Board (SARB). Please review the [RUSD Parent Handbook](#).

02.

QUALITY OF WORK

Students shall, to the best of their ability, complete assigned lessons each day, including homework and assignments missed because of absences or tardiness. Quality of work will be evident when students are actively engaged in the learning process. Students are to turn in work in a neat and comprehensible manner.

03. "C.U.B.S"

Students will follow and support our Positive Behavior Interventions and Supports (PBIS) program. Our school-wide rules are to show CUBS- Communicate Caring, Uphold Integrity, Behavior Responsibly and Safe, and Show Respect to Others.

04. SCHOOL RULES

Students shall follow established rules at school, when they are on their way to and from school, and during school sponsored activities.

STUDENT RESPONSIBILITIES

05. RESPONSIBILITIES

All students shall comply with regulations, pursue the required course of study, and submit to the authority of all staff members of the school.
(Education Code Section 48921)

- Students will **not** be permitted to call home for forgotten money, lunches, homework, instruments, etc.
- If an item is forgotten at home, students may check in the office during Nutrition, Recess, or Lunch to see if parents have delivered the forgotten item. The office will not disturb the classrooms to deliver items or messages regarding forgotten items.

RELATION TO OTHERS

06.

Students shall respect the rights and privileges of each person in the school. Good citizenship in school, as well as in the community, includes respect for the rights and property of others. The expectation is that students will communicate with teachers, all staff, and all students in a polite manner.

07. PERSONAL STANDARDS

Students shall dress appropriately by following our Jellick Dress Code and meet the standards of health and cleanliness. They shall refrain entirely from profanity, vulgarity, and racial slurs.

Parent RESPONSIBILITIES

THE FOLLOWING RESPONSIBILITIES ARE EXPECTED OF PARENTS

01. ATTENDANCE

Cooperate with the school in motivating your child to be at school every day and on time. Parents set a good example for their children when they demonstrate promptness in bringing their children to school. Parents are models for their children and model the importance of punctuality. This is life-time learning for your child and will help them develop good work ethics at an early age.

- Students who arrive after the 8:25 bell, must report to the office. Please see that your child arrives to school no later than 8:25 each morning.
- When they are absent please call the office at **626-964-1275**.
- Please see below for the school attendance policy.

Parent RESPONSIBILITIES

THE FOLLOWING RESPONSIBILITIES ARE EXPECTED OF PARENTS

04. PERSONAL STANDARDS

Send your child to school with proper attention given to health, personal cleanliness, neatness, and appropriate dress. Students not wearing the uniform shirt or pants will be loaned a shirt or pants. The inappropriate garment will be returned when the loaned item is returned.

05. CHECK-IN

Parents and all visitors must enter and check-in at the office. Parents may not go on the playground or go directly to the classroom door to talk to the teachers. Please call to schedule an appointment. Remember that the teacher's first responsibility is for the safety of your child.

Jaguars

SAFETY AND CONDUCT POLICIES

Support Jellick by reviewing Jellick Elementary Procedures, Code of Conduct and Dress Code rules and regulations with all family members to ensure that everyone is familiar with and understands the standards of conduct expected by school personnel. Praise children at home who demonstrate appropriate behavior.

1.

BICYCLES, SCOOTERS, SKATEBOARDS, ROLLER SKATES, AND ROLLERBLADES

Students have the privilege of riding their bikes, scooters, skateboards, to school if they follow traffic laws and safety guidelines - including wearing a helmet. Students must lock their bikes and scooters in the front of the school at the bike rack. Students may not bring roller skates, roller blades, or shoes with wheels.

2.

DROP-OFF AND PICK-UP PROCEDURES

Student Drop-Off

Parents should say goodbye at the gate and let their child walk on campus and to the line with the other children. This helps students learn responsibility and enables the teachers on duty to supervise effectively. **The expectation is that ALL parents in grades TK-8 say goodbye at the gates and allow their children to line up for class.**

Student Pick-Up

Please be on time to pick up your child. Make sure the caregiver is informed of early day schedules on Mondays and of non-school days. **If you or the caregiver is late**, your child may be picked up from the office and will be released upon identification of an adult through verification of a valid ID.

SAFETY AND CONDUCT POLICIES

3. TRAFFIC SAFETY AND RULES

Students may be dropped off or picked up in the driveway right off of Jellick Ave. **The parking lot is for staff member use only.** For parking, parents will need to park on any of the surrounding streets. The handicapped parking spaces are for staff and non-ambulatory students. Parents who are dropping off students using “drop off” lanes directly in front of the school off of Jellick Ave., must pull up to the crosswalk before stopping. This allows the driveway to remain safe and orderly as well as prevent backup on the street. **Parents should under no circumstances leave their car unattended as this lane is designated as a red fire lane.**

Student safety at arrival and dismissal time is a tremendous concern for Jellick Elementary. With safety in mind, please consider the following suggestions:

- If your child rides the bus, have your child ride it as often as possible. If you are within walking distance to school, let your students walk.
- Talk to your child about good safety practices and the route you want them to use. Adults or older students should accompany younger students.
- Try to set up a carpool with friends or neighbors if you drive. Remember, drop off students in the cul-de-sac in front of the school.
- All students must enter and exit through the front gate or the gate on the field (Greenbay Dr.).
- Special Education bus riders are the only students allowed through the parking lot gate.

We designed our driveway to speed things up. Parents use the outside lanes to drop off and pick up their children. Please pull forward before dropping your child off. Please have your students exit the side of the car next to the sidewalk. The center lane is for vehicles to travel. Do not have students exit toward the center lane. Observe the crosswalk and obey the crossing guard. Turn right when exiting the driveway.

During after-school dismissal, parents may wait in their cars along the curb of the driveway for their students. **Never leave your vehicle unattended to find your child/children.** Encourage your child to come quickly to the pick-up area and not loiter or play on campus. Always use the crosswalk when crossing the driveway or street.

SAFETY AND CONDUCT POLICIES

4. CROSSWALK

Students need to practice safe behavior when walking to and from school. The county provides two crossing guards and crosswalks for students to use when crossing Jellick Ave at Colima and Desidia. We also have a crosswalk in our drop-off and pick-up area. Please obey all adults who are ensuring the safety of our students.

5. CAMPUS SECURITY

Jellick Elementary is a closed campus during school hours. The campus gates open at 8:00 a.m. to serve breakfast in the cafeteria. Supervision begins for students who are not eating breakfast at 8:10 a.m. For safety, parents are not allowed to be in the cafeteria with their children. All gates are locked at 8:25 a.m., requiring parents to check-in and receive a pass through the office. There is supervision for 15 minutes after school.

Jaguars

DRESS CODE

DRESS CODE GUIDELINES

Students will wear clothing appropriate for school. Clothing should reflect a positive attitude toward learning, pride as a Jellick Jaguar, and assures student safety. Our staff consistently enforces the dress code. When students are not responsible and wear prohibited items, we will loan temporary clothing, ask students to turn their shirts inside out, or call home and request a proper change of clothing. Students receive a referral for dress code violations.

Clothing must be free from offensive or inappropriate logos, messages, or pictures. We do not tolerate clothing with alcohol, tobacco, drug, gang, or demeaning words about school in general, school/homework, or other people or groups. Clothing should promote our CUBS! values. Use the following as a guideline:

PANTS OR JEANS

Longer skirts and shorts are permissible. Shorts and skirts should be modest. Shorts for boys will not be below the knee.

HATS AND BEANIES

BELTS

Belts must fit at the waist and not be oversized or dangling. Belts with initial belt buckles or large belt buckles are not permitted. Belts must be looped through or tucked inside the belt loops.

SHOES

are to be closed toed and encompass the entire foot. Open-toed shoes and shoes that do not encompass adequately supporting the entire foot (Crocs for example), pose a safety risk and are not allowed on campus.

Undergarments should never be visible.

HEALTH AND WELLNESS

01. HEALTH OFFICE POLICIES

The health office administers basic first aid to children with minor cuts, bumps, and bruises. We take temperatures of students who complain about a stomach ache, headache, earache, or sore throat. If the child has a temperature of 100 degrees or higher, is vomiting, or has diarrhea, we will call the parents to pick up the child. We report all injuries above the neck and send home an information letter that will need to be signed and returned the following day.

02. MEDICATION

In order to comply with the Education Code of the State of California, each year we must have on file a Medical Authorization form from the physician to administer medication with the instructions and the signature of the physician. Without this authorization, we are unable to administer any prescription or non-prescription medication. The form is available in the office. It is the parent's responsibility to do a new form every year. Students may not share medication with another student, even a sibling. The District has established rules regarding over-the-counter and prescription medication. Please review the [RUSD Parent Handbook](#) for details.

03. EMERGENCY KIT

We are requesting that each child have an emergency kit brought from home. The emergency kit will consist of one Ziploc (gallon size) bag. The bag should be furnished with water and snacks that will not perish prior to the end of the school year. Be sure you write your child's name in a permanent pen on the bag. The bag will be returned to you at the end of the school year, if it is not used.

TECHNOLOGY AND COMMUNICATION

RUSD provides guidelines and expectations regarding use of these devices thru the annual Acceptable Use Contract that both parents and students sign and are responsible. Example of this document is in this handbook and is in conjunction with Board Policy 5131 Student Conduct. Additionally, any listening or recording devices made without prior consent of all parties and/or create disruption in the school environment may result in disciplinary action.

01. COMPUTER AND TECHNOLOGY USE

Every student has access to an iPad or Chromebook to reinforce and support learning. All students will follow the behavior and handling guidelines within the classrooms and labs for the safety of the devices, students, and personnel. Please review the [RUSD Parent Handbook](#) for more information. Electronic information services are available to students and teachers in our district who sign Rowland's Appropriate Use Policy Form.

02. MESSAGES AND COMMUNICATION (PARENTSQUARE, ETC.)

Our teachers will communicate with you regularly via ParentSquare. Please be sure to sign up with ParentSquare to ensure you stay in constant contact with the teacher. You can also [email your teacher](#) or leave a message with the office. The office does not interrupt the classroom unless there is an emergency.

Communications from Jellick Elementary
Read and comply with all communications from the school, signing and returning them if requested.

03. CELL PHONE POLICY

Cell phones must be off, silent, and in backpacks while on the Jellick campus and during school hours. Any infraction will result in the phone being confiscated and turned in to the front office, where parents may pick up once notified.

ACADEMICS AND HOMEWORK

01. CLASSWORK AND HOMEWORK EXPECTATIONS

Please review the [RUSD Parent Handbook](#) for homework information. Classwork is work assigned during class. Students who do not complete classwork must follow the teacher's directions. Homework is an extension and practice of what the child learned that day. It is not “new” information or “new” learning. Work with your child to complete and return work according to the classroom procedures. If you are having problems with homework, or need assistance, contact the teacher, or make an appointment. Do not let problems go on too long, or it may impact student learning or grades. If your child did not write down his or her homework assignment, please contact the teacher through the app or method they gave you at the beginning of the year. If you are unable to contact the teacher, please contact the office, and we will leave a message for the teacher.

Homework - Please monitor your child's progress through one of the following means, as directed by the teacher.

- Agendas
- Communication Folder
- Seesaw
- Google Classroom

02. INDEPENDENT STUDY CONTRACT

If your child will be out of town for a minimum of 1 day and no more than 15 school days, you may choose an Independent Study Contract.

You must notify the office as soon as you know the dates in advance so the teacher can prepare material for your child. Do understand that principal can deny the request.
